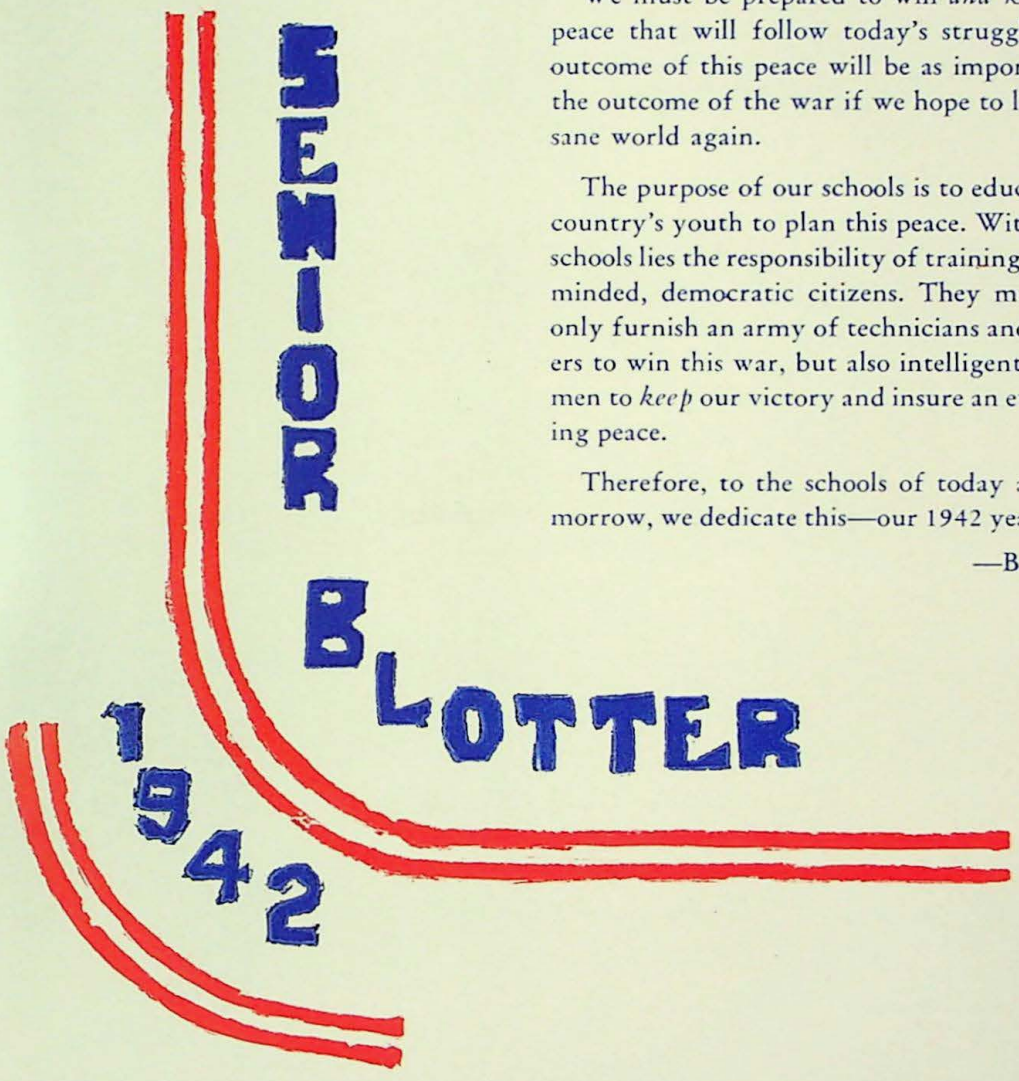
We, the Seniors of the Senior High School,
New Albany, Indiana
Present the 1942 Senior Blotter to the School
and to the Students of the Future.

The School of Today

Within Its Walls



ARISING from the whirlpool of smoke and flames that is our bomb pocked world, a blood drenched dove, symbol of eventual peace, soars to the heavens, hovers silently around America's shores and finally flutters hopefully to the shoulder of Uncle Sam.

We must be prepared to win *and keep* the peace that will follow today's struggle. The outcome of this peace will be as important as the outcome of the war if we hope to live in a sane world again.

The purpose of our schools is to educate the country's youth to plan this peace. Within the schools lies the responsibility of training broad-minded, democratic citizens. They must not only furnish an army of technicians and fighters to win this war, but also intelligent statesmen to *keep* our victory and insure an everlasting peace.

Therefore, to the schools of today and tomorrow, we dedicate this—our 1942 yearbook.

The Hope of Tomorrow -- The Underclassmen

"One for all and all for N. A. H. S." . . . — these famous words express the watchword of the throng of underclassmen . . . — Sophomores dreading the ordeal of walking across the stage . . . — boasting of it afterwards . . . — studying for the future . . . — their future . . . —

The Juniors . . . — more sophisticated . . . — yet lacking the nonchalance of the Seniors . . . — They can get around now . . . — that bit of cyclone you saw . . . — just a Junior racing the bell . . . — Efficient, too . . . — managing the Junior-Senior reception like veterans . . . —

After we're gone . . . — these Juniors and Sophomores carry on . . . — studying . . . — getting ready to do their bit . . . —for greatest country on this earth! . . . — Every last one of them pulling for UNCLE SAM! . . . — Standing behind the man behind the gun . . . — Here's to the hope of tomorrow! . . . — our underclassmen!

Administrators of Education

Mr. Oscar Bader

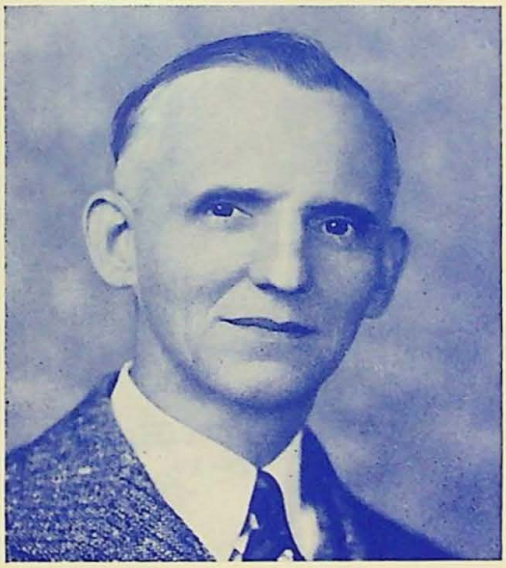
President

Mr. Bader is a graduate of a somewhat different New Albany High School, class of 1896. The school was located at the site of the present Public Library and had only three teachers on the pay roll. Mr. Bader played football for the Bulldogs and was injured while in action defending our goal. He holds a Master's degree in Law at Ann Arbor, Michigan, and has been practicing law ever since 1900. Mr. Bader is now one of the attorneys for the First National Bank and Kentucky Title and Trust Company of Louisville, a position he has held 40 years. He taught at the Jefferson Law School for two years. Elected member of the School Board in 1931, he has been president several times. He devotes much of his spare time to the Board. He is an active club and lodge member, including Kiwanis, Elks, and many others. Mr. Bader is studying to be a volunteer fireman in New Albany. Striving for a bigger and better school system. . . . —

Mr. Frank P. Clipp

Secretary

Mr. Clipp is a graduate of New Albany High School and won four athletic "N's" while here. He was here when our Bulldogs whipped Jeff 50-0 in basketball and played end on the football team that smashed the Red Devils 90-0 back in 1912. He is an ardent base ball fan, keeps in shape by bowling, and played in the N. A. H. S. orchestra for three years. Mr. Clipp has worked at the Mutual Trust and Deposit Company since 1913, being cashier for 18 years and elected president in 1938. He was recently appointed Chairman of the Victory Sales Committee for the New Albany district and serves as an air raid warden. Ever on the alert to help our schools. . . . —



Dr. J. Harry Lee

Treasurer

Dr. Lee is a native of Crawford County; taught school three years; graduated from Louisville College of Dentistry, which was a branch of Central Normal College. His two sons are following in his footsteps by attending Dental School. Dr. Lee is serving on two committees of the Dental Division connected with the Victory Program. In his spare time, he takes to the fairways for a few rounds of golf. He was selected in 1938 to fill the unexpired term of Mr. Thornbrough, who resigned. Sent his daughter and two sons to New Albany High School. Always ready to lend a helping hand. . . . —

Co-ordinators

We have given you good school buildings. Our schools are better housed than ever before, and we are still building. The task of building goes on forever. But better than this, we have built minds and characters of boys and girls. Bricks and mortar are good, but, like Sparta of old, our strength and our defense lie not in our walls but in our human values. A task of building lies before you. This Senior Class is going out into a world torn by war. You will help to rebuild the wreck of that world. We know that you will do your part well. We believe in you, and we trust that you will carry to this work much of the spirit of your school, and will use that power of working together you have gained here, for the common good. You are a strong class. We have faith that you will be good builders. "He builds too low who builds beneath the stars."

The Board has taken over the old Athletic Board Corporation and set up a new Athletic Board just recently . . . — Striving for a bigger and better school system for New Albany . . . —

Of Education

Again America fights! The theme of our annual is Defense of Democracy. The conditions of the times bring forth the best in everyone of us based on a long line of traditions that has made America great—and our slogan should come from these traditions. Our greatness has not come from the accumulation of great power, the building of a world-wide empire or the accumulation of great wealth. Our greatness has come from ideals of a less tangible nature—a greater spiritual outlook for future civilizations.

Our traditions mark our progress. We have fought to settle the West.

In 1776 we fought for No Taxation Without Representation.

In 1812 we fought for Our Freedom on the High Seas.

In 1860 we fought against Involuntary Servitude in America.

In 1898 we fought for Freedom of a Suppressed Spanish People.

In 1916 we fought for Self-determination of Suppressed Peoples.

Today we fight for a Greater Freedom of Democracy against an ideology of world wide suppression and subjugation.

The pillar of fire in this Democracy leading the way is our educational system, which preaches the gospel, 'An enlightened people make Democracy safe and assured.' Let us not be engulfed in traditions, but be inspired by them in our old but ever new slogan: Overcome Obstacles on Our Road to a Greater Freedom for All Peoples.

Queen of the Gridiron

A smooth clicking Evansville Reitz High football team marred the grid opener for New Albany High fans by topping the Bulldogs on Buerk Field by 19-0.

Traveling the next week-end to Bosse Field at Evansville, the Bulldogs again met defeat at Bosse, 32-7.

The Bulldogs clicked beautifully as they drilled Anchorage, Ky., Anchors 18-6 in three scoring rallies.

Before 4,000 chilled fans, the Bulldogs sent additional shivers through the Purples of Male High, sweeping them off their feet in the first half only to bow before a touchdown attack, 15-0.

Producing action galore in the last half, the New Albany Bulldogs dished out to the Seymour Owls a 24-12 spanking.

The 100th football game played on Buerk Field, October 22, was an 18-0 showdown for the Vincennes Alices over the Muts.

Topping the contest was the crowning of Miss Jane Borkenheim as the Football Queen for 1941.

Threatening to score only twice in the game, the Bulldogs were caught in the surge of a swift Manual counter-attack to tumble 38-0.

Unable to gain on the ground, Central's Bears climbed into the airways at Bosse Field to roll up a 26-0 victory over New Albany.

In the closing and confusing minutes of the annual Thanksgiving classic the St. Xavier Tigers wallowed and splashed through the mud to gain a 19-7 victory over the Dogs.

Ads and Fads

Bowling has definitely caught on in New Albany. Both the Pearl and Oak and the Liberty Bowling alleys are kept busy by the High School crowd.

Frank Frakes, snapper and shutter, buys bulbs and what-not from the Petery-Hedden Company.

Jane Byrd, class secretary, is busy working at Doughertys' Drug Store. Soda Jerkeress?

Helen Michel and Brice Baker are thicker than Purity Maid cream.

Pat Quinn, station-breaker, attributes his blue eyes to the shade of necktie he always buys at John Mitchell's Shop.

Janie Borkenheim, danseuse deluxe, is sweeter than Burd's ice cream. Bill Diedrich, prominent promoter, is trying to promote this, too. Maybe a car from Payne Motor Company would aid his cause.

Ronald Cox and Margaret Schmitt are clicking on the same beam, but we wonder where they will buy furniture, Reitz or Schmitts'?

Maralyn Davis, equestrienne extraordinary, buys her riding clothes at the White House, for her daily jaunts.

Becky Walters buys her extensive wardrobe from Betty Lou Lawson at Helmans' Department Store with her pay from Emery's. Sundae Clothes?

De Von McMurray, of Broad Ripple, wishes the Public Service Company would disconnect the lights when he visits his current heart-throb.

Dave Needham, suave senior, sends the loveliest corsages. Just ask Betty Finnegan or Martha Hadley. Dave attributes his success to Nances' Floral Shop.

Eddie Hord works hard at Cord's Drug Store, but he manages time to walk to Silver Springs for a coke. Busman's Holiday?

Nancy Lee Robertson wants to have her picture taken at Chase's for her current interest at Purdue. Isn't that chasing after the boy?

Bud Lorch, alias Johnny, will be looking for the Floyd County Funeral Directors soon, as he is practically dead from Senior Class Play rehearsals.

Jo Ann Genung, Marylea Hawkins, and Betty Boaz, commercial students, should further their training at the New Albany Business College. The defense work could use three pretty secretaries if the bosses haven't given up functional methods of dictation.

Seniors on Sunday dates watch professionals romance at the Elks, Indiana, or Grand.
